### Portable Toilets for the Events Industry

We have a wide range of portable toilets to suit any event. All our toilets are self-contained, flushing toilets that do not require connection to water or drains. (Main's toilets are available if required). If required all portable toilets are serviced and cleaned regularly throughout the event. Available with foot pump operated hand wash or hand sanitiser unit. They are free standing and offer an easy and cost effective solution for all events from a large music festival to a car boot sale.

- Re-circulating chemical flush system with long lasting air freshener infused into the biodegradable chemical to diffuse odours
- Hand soap/ hand sanitiser (optional)
- Cold water hand sink (optional)
- Coat hook
- Mirror (optional)
- Loo roll
